

Christmas Quiz XVIII

Clues take the form of the first letter and number of letters in each word in the answer; Three Blind Mice would be T5 B5 M4. Spaces may indicate commas, clauses or other break points. No answers are identical to Christmas Quiz IV or XII, though '(More)' indicates a repeated round and '(Even more)' indicates a double-repeated round.. HINTS: Look for small or give-away words (whilst remembering that T3 is not quite always "the"), find the structure of the answer, look for repetition, try reverse engineering.

All reference materials including the internet are allowed. Answers will be available from Epiphany from www.edrith.co.uk with honour and glory to the highest scoring individual/team. Email me with your completed answers by 11:59pm GMT on 5th January for a chance at victory or the honour roll.
